Drinks List 2025/26

WELCOME

I am delighted to welcome you to our golden-anniversary portfolio. Since our foundation as a family business in 1975, Venus has successfully grown into UK's first-class wine and spirits trade leader. Now, we're proud to be part of the Booker group. Over the last five decades, we have been privileged to serve our valued hospitality trade partners, whilst also witnessing and actively contributing to the development of the UK drinks industry. This year's brochure isn't just a list of products; it's a celebration of growth, partnership, and an unwavering commitment to quality and service.

The past year marks a significant milestone in the evolution of Venus Wine and Spirits. The acquisition of Venus by Booker, has allowed us to benefit from their scale, enabling us to invest in price and extended our reach across the country. This year we have opened 2 new depots. Today we have five depots across the UK, in London, Manchester, Leeds, Birmingham, and Bristol. These new locations mean faster, more reliable service and greater stock availability, cementing our position as the partner of choice for the on-trade.

Our commitment to delivering a dynamic and relevant product portfolio has never been stronger. We have maintained our focus on spirits, bringing you a wide range from the big brands through to innovative craft distilleries. With over 3,000 lines and new products introduced weekly, we ensure you stay ahead of consumer trends. Furthermore, we have expanded our non-alcoholic range, ensuring you can cater to every palate and occasion.

Our wine portfolio is now stronger than ever, having grown by over 300 new lines in the last year alone. This massive expansion is a direct result of our increased focus on direct sourcing from key vineyards and our commitment to organic and sustainable practices. A particular favourite that exemplifies this quality is the Casa Rojo Machoman.

With this extended range, our dedicated and expert wine team have the skills and knowledge to help you build a wine list that perfectly balances exceptional value with world-class quality and provenance. To help you navigate this expanded offering, we are pleased to

launch our dedicated Wine List, which will sit alongside this main brochure.

At Venus, exceptional service is the cornerstone of our business. This year, we have increased the number of dedicated Account Managers across our depots to ensure you receive proactive and personalised support. Our depot opening hours are now more flexible, allowing you to access stock when you need it most. We continue to focus on improving our service levels and our availability. This year we ran a summer promotion for the first time and updated our website to provide more relevant and up to date content. Follow us on LinkedIn @Venus Wine & Spirit Merchants Limited to see what we're up to in the coming months.

Finally, I extend a sincere thanks to all our long-standing customers and a warm welcome to new partners. We are incredibly excited for the year ahead and look forward to supporting you to achieve even greater success.

ABOUT VENUS

BEHIND EVERY BAR

With a range of over 3,000 products, including more than 600 wines, we can provide everything you need across spirits, wine, beer and softs.

From sourcing rare spirits and the finest wines to providing the essentials that keep your bar running smoothly - our service is as reliable as it is personal. Whether it's curating a standout wine list, sourcing an artisanal tequila, or advising on the latest cocktail trends, we tailor our service to your needs.

With next working day delivery we ensure your orders arrive when you need them. And that your products are handled by a team who cares about getting it right.

OUR CUSTOMERS

We take pride in serving a diverse and ever-growing range of bars, restaurants, hotels and events organisers across the UK.

"Venus has been able to open doors by putting me in contact with people that I normally wouldn't have a chance of speaking to. Marcus has put me in touch with vineyards and products to talk about brand activations and I'm even looking at branding my outside terrace with a Cotes de Provence rose vineyard."

Lloyd Gardner, Lloyd's Lounge and Sabatini, Exeter

SUSTAINABILITY

As part of the Booker Group we are committed to be net zero across our own operations by 2035 and across our entire value chain by 2050. We have begun to report our carbon footprint annually through the Tesco Group. We work with our suppliers to reduce the packaging used in the product we sell, and we continue to grow our range of biodynamic and organic wines to reduce the environmental impact of the wine we source and sell.

GIN MARE

MEDITERRANEAN GIN

Our History

In an old fishing village just outside of Barcelona, lies an 18th century chapel that houses a custom-made still in which Gin Mare was first created, inspired not only by local botanicals and flavours but by the rhythms and culture of its location.

The chapel and its still continue to stand proudly at the entrance of the distillery, welcoming visitors and inviting them to experience the Mediterranean culture of gastronomy, drinks and a gentle pace of life under the sun.

Our Brand DNA

Gin Mare has distilled and bottled the Mediterranean to export it to the world, inspiring consumers to taste life in a different way, based on the Mediterranean values of hospitality, gastronomy, nature and connection.

KNOB CREEK

KENTUCKY STRAIGHT BOURBON WHISKEY

Knob Creek Bourbon is aged nine years in deeply charred American Oak barrels to fully draw out the natural sugars. Knob Creek is then bottled at 100 proof to reflect the big, rich flavor and patience that defined pre-prohibition whiskey.

HELLO BOURBON

HISTORY

Inspired by bourbon’s history, the art of making fine bourbon whiskey first took place on the Woodford Reserve distillery site, a national historic landmark, in 1812. The history of bourbon is interlinked to the history of Kentucky and the United States. It is truly a national spirit. The keys to making the world’s finest bourbon are not only the time and patience, but the science and artistry - all of which are encapsulated by Woodford Reserve, born in 1996, The liquid, distillery and all associated with Woodford Reserve can be summed up in one sentence - a labour of love, and a spectacle for the senses.

BOOKER'S

BOOKER'S BOURBON

BOOKER'S RARE UNCUT & UNFILTERED BOURBON

Booker's Bourbon is a rare barrel-strength bourbon, bottled uncut and unfiltered. But you obviously know a good bit about bourbon, because you don't end up here by mistake. We focus on the sweet spot. The center of the rackhouse where the temperature and humidity stars align to create the deepest and most intense flavors. Once it's aged to perfection, which always varies, the liquid is bottled uncut and unfiltered. We don't add, we don't water down, and we don't apologize for it. For some people, it may be too much. But for true bourbon fans, it's probably the best ever.

HISTORY

JASPER NEWTON (JACK) DANIEL REGISTERED HIS STILL AT THE CAVE SPRING HOLLOW, LYNCHBURG, TENNESSEE IN 1866, MAKING THE JACK DANIEL DISTILLERY THE OLDEST REGISTERED DISTILLERY IN THE UNITED STATES. THE IRON-FREE, MINERAL-RICH CAVE SPRING WATER PROVIDES THE PERFECT START IN MAKING A WORLD-FAMOUS, MEDAL-WINNING WHISKEY AND SO THE DISTILLERY HAS REMAINED HERE EVER SINCE THE DAYS OF JACK.

01/ THE CAVE SPRING LYNCHBURG'S NATURAL RESOURCE

Jack's not-so-secret ingredient-limestone spring water-lives within the depths of a two-mile deep cave.

02/ CRAFTING CHARCOAL IT TAKES FIRE TO MAKE JACK

The adherence to detail that comes with making our whiskey starts with crafting our own charcoal for mellowing. It's tough work, but nothing good comes easy. But when you're building a 2000-degree fire on a hot summer day, boy, you kind of wish it would.

03/ DISTILLATION CORN, RYE, BARLEY & PRIDE

Our whiskey wouldn't be what it is without Jack Daniel's mash recipe. He found the perfect mix of corn, rye, and barley and we haven't changed it since.

04/ CHARCOAL MELLOWING MELLOWED DROP BY DROP

We let our whiskey slowly drip through 10ft of hard maple sugar charcoal so it comes out with its distinctive smoothness. It's a costly, time-consuming process, and if it sounds extravagant, well, it is.

05/ MATURATION HURRYING NEVER HELPED GOOD WHISKEY

Our whiskey goes into the barrel colourless and raw. Years later, it will pour out a beautiful amber, its rawness turned smooth and complex. Exactly how many years later? That's a question decided by Mother Nature and Father Time.

BRAND STORY

El Jimador Tequila is crafted at the legendary Casa Herradura distillery in Amatitán, Jalisco. This tequila needed to be top quality, because it was made to honour the proud Jimadores who harvest the agave plant. It also needed to be approachable, because true Jimadores believe good tequila should be available and accessible to all.

El Jimador Tequila is crafted using 100% blue agave and fermented naturally with wild yeast produced by the fruit trees and agave plants surrounding the distillery.

With a PH of 1.95 **SŪPĀSAWĀ** perfectly replaces fresh lemon or lime juice making it ideal for all your favourite cocktails.

Why is that important?

Well **SŪPĀSAWĀ** is SŪPA sustainable by removing the need to ship fresh citrus from all over the world, which reduces the carbon footprint of every delicious drink you make.

Its SŪPA easy. Once open, **SŪPĀSAWĀ** can be stored at room temperature with no reduction in quality for a minimum of 12 months.

A history of dedication and success,
100% Made in Italy

Orsadrinks was born in **1992** in Italy, in the South of **Piedmont**. Originally, the product range was limited to powdered drinks such as hot chocolates and frappes but, after observing how the cocktail scene in the U.S. was booming, Orsadrinks soon decided to diversify into the **cocktail market**.

As a constantly evolving reality, Orsadrinks has been able to grasp, and sometimes even anticipate market trends, establishing itself as a **favourite brand** in the drink industry among top bartenders around the world.

WE'RE 10 YEARS YOUNG

— AND STILL THE MIXERS CAUSING A STIR —

To celebrate a decade of deliciousness, we're unveiling our boldest look yet: our brand-new dress code. A chic new bottle with vibrant swirls and a bold new label. It's still the lightest mixer bottle on the market — because looking good and doing good go hand in hand — and now it's packed with 15% more sparkle to dial up the fizz. Born to mix and raised to party, we've spent ten years pushing flavour boundaries and serving up surprises with every sip. We're not just older — we're bolder. Pass the Double Dutch — it's party time!

Mediocre mixers? Not on our watch. Your drinks demand something more. That's why we created Double Dutch: bold, vibrant, and fun soft drinks & mixers bursting with unexpected flavours inspired by molecular gastronomy and made with high-quality, natural ingredients that never compromise on taste. Proudly B Corp certified, we bring the party with every flavourful pour. Expected the unexpected. So, what are you waiting for? Grab a glass and join the adventure.
